

## Features :

- Double liquid level bubbles
- Full-featured 5-button control
- Multiple measurement mode
- HD display
- Quick USB charging
- 20 reading memories

## Technical Specifications

Display Size	:	HD large display
Measuring range	:	70M
Accuracy	:	±2mm
Wavelength	:	620-690nm
Units	:	M,ft,in
Color of laser	:	Red
Measurement functions	:	Single measurement Continuous measurement Area measurement Volume measurement Pythagorean measurement Triangular measurement
Data Storage	:	20 Set
Battery Type	:	Lithium battery 3.7v
Dimension	:	123 x 51 x 28 mm
Weight	:	56g
